

# Features/Benefits\* of the Caribe®

## Factory-Assembled Low-Intensity Infrared Heater

Feature	Benefit
<b>Heater:</b>	
<ul style="list-style-type: none"><li>▪ Unique design</li><li>▪ Balanced flue</li><li>▪ Factory-assembled</li><li>▪ Ceiling-mounted</li><li>▪ Extensive use of corrosion resistant materials and processes</li><li>▪ CSA design certified</li></ul>	<ul style="list-style-type: none"><li>▪ Provides maximum inputs and minimum lengths for customer flexibility</li><li>▪ Only one hole needed in wall or roof</li><li>▪ Saves time and money for installation by contractor</li><li>▪ Frees valuable work space</li><li>▪ Longer life in high-moisture environments</li><li>▪ Independent testing to industry standards</li></ul>
<b>Burner:</b>	
<ul style="list-style-type: none"><li>▪ Durable, welded burner construction</li><li>▪ Oversize access doors</li><li>▪ Direct spark ignition</li><li>▪ Three-try module with pre- and post-purge</li><li>▪ High efficiency motor with integral cooling fan</li></ul>	<ul style="list-style-type: none"><li>▪ Results in a strong, long-lasting unit</li><li>▪ Provides ease of servicing</li><li>▪ Results in quiet operation and smooth reliable ignition</li><li>▪ Provides reliable and safe operation</li><li>▪ Results in reduced motor operating temperatures and longer motor life</li></ul>
<b>Heat Exchanger:</b>	
<ul style="list-style-type: none"><li>▪ Tight bend radius</li><li>▪ One adjustable hanger</li><li>▪ Deep-dish, high efficiency aluminum reflector design</li></ul>	<ul style="list-style-type: none"><li>▪ Provides efficient radiant output in minimum space</li><li>▪ Allows flexibility in suspension point location</li><li>▪ Maximizes energy reflection; minimizes heat loss by convection resulting in fuel savings</li></ul>
<b>Convenience:</b>	
<ul style="list-style-type: none"><li>▪ Five feet of venting materials</li><li>▪ 24V thermostat</li><li>▪ Comprehensive Installation, Operation and Service manual</li></ul>	<ul style="list-style-type: none"><li>▪ Reduces installation cost and time</li><li>▪ Reduces installation cost and provides climate control</li><li>▪ Aids in safe installation, operation and service of heater</li></ul>
<b>Optional:</b>	
<ul style="list-style-type: none"><li>▪ Protective grille (standard on CGTH-G models)</li><li>▪ Roof venting</li></ul>	<ul style="list-style-type: none"><li>▪ Eliminates people and objects from coming in contact with radiant tubes</li><li>▪ Allows flexibility when wall venting is impractical</li></ul>

\*These Features/Benefits are for contractors only. Installation, service and annual inspection must be done by a contractor qualified in the installation and service of gas-fired heating equipment.
